Our school initiatives are showing substantial progress toward our targets

After reviewing our 2016 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes where targets were outlined.

We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds. All of these initiatives were conceived and executed before I arrived as principal in October 2016.

Initiatives implemented include:

- Initiative 1 - Engaging external company "Mighty Minds" to work with senior students around QCS, QCE and QCIA. 100% of our students will receive a QCE or QCIA this year.
- Initiative 2 - Purchase airconditioning in multi purpose facility. Installed.
- Initiative 3 - Purchase an IT tech – done.
- Initiative 4 - Purchase a VET Project Officer – done. Record equalling SATS in school - 70+
- Initiative 5 - Purchase teacher aide time – done.
